### Think About It?

Quote from the WSJ interview with Rep. Devin Nunes, Chairman of the House Select Committee on Intelligence, WSJ, July 27, 2018, p. A11:

“This is a basic congressional investigation, and we follow the facts,’ he says. The ‘bigger picture,’ he adds, is that in ‘a lot of the bad and problematic countries’ that Intelligence Committee members investigate, ‘this is what they do *there*. There is a political party that controls the intelligence agencies, controls the media, all to ensure that party stays in power. If we get to that here, we no longer have a functioning republic. We can’t let that happen.”
