

Quail Creek

Republican Club

January 2017

Newly Elected **Pima County Sheriff Mark Napier** will be the guest speaker at the January 20th Quail Creek Republican Club meeting.

Napier was elected November 8th to replace the seating Sheriff by defeating him 56% to 44%

Napier said that his first priority is to do a "cultural reset" in the Sheriff's department to help restore morale.

"To the people who have been given a black eye by all the nonsense that's been going on and the high-level people who felt under-appreciated and often mistreated by the current administration, we're going to lift them back up," Napier said.

Napier received endorsements from the Pima County Deputy Sheriff's Association, Tucson Police Officers Association and the Pima County Corrections Officers Association. In September, the deputies' union expressed a vote of no confidence in Sheriff Nanos and reported a record number of votes by members. -tucson.com

New LD2 Representative Shows Disrespect

He hasn't taken office yet, but already Arizona State Representative-elect **Daniel Hernandez** has made it clear that he won't be taking his duties all too seriously. Hernandez, who drew criticism this past election cycle for lying about having a college degree, has already taken to Facebook to express his disdain for his colleagues and committee assignments.

Hernandez has been assigned to the Judiciary and Public Safety Committee and the Federalism, Property Rights and Public Policy Committee. In response to congratulations for his assignment to the Federalism, Property Rights and Public Policy Committee from a Facebook friend, Hernandez posted: "It'll be fun to be on tin foil hat and black helicopter committee!"

While many of his democrat colleagues are reaching out to majority members in an effort to secure a chance that their bills will receive a fair hearing, Hernandez is making enemies early.

Chair of the Federalism Committee, Arizona State Rep. Bob Thorpe stated, "It's incredibly unprofessional for a brand new Democrat legislator, who hasn't even been sworn-in yet, to publicly denigrate the State House and the committee that 'Democrat leadership' assigned him to sit on. **Why exactly did Hernandez run for the House in the first place if he apparently hates the institution? By burning bridges, he will no doubt be ineffective at representing the important interests of his constituents who elected him.**"
