### “The Patriot Alliance” A New Organization in Green Valley

In the interest of increasing meeting attendance and to attract a wider range of top-notch speakers, the *Green Valley TeaParty* (GVTP) will join with the *Republican Club of Green Valley/Sahuarita* (RCGV/S) and other conservative groups as the **Patriot Alliance**. The other groups under this umbrella are the *Quail Creek Republican Club* (QCRC) and the *Sahuarita Tea Party Patriots*. Each of these groups will maintain their own integrity, but will work together under the **Patriot Alliance** banner.

The RCGV/S is changing its monthly meetings to the First Thursday of every month (the same day as GVTP’s meeting) to combine the groups for monthly general meetings.

The Quail Creek Republican Club will continue with its normal meeting schedule (3rd Thursday, 9:30 a.m.) but will support the new Patriot Alliance. The QCRC encourages all of its members to attend the Patriot Alliance meetings.

The first combined meeting will be Thursday, September 7, at 9:00 AM at Friends In Deed (in Room D, the large room with the round tables). As always, coffee and ‘treats’ will be provided. The featured speaker will be **Ken Moyes**, a constitutional expert who will address the importance of the **Electoral College** and the ramifications of eliminating it (as many on the Left are suggesting). Don’t miss this fascinating presentation.

## U.S. National Debt

By the time this newsletter is posted to our website the amount of money owed by the U.S. Government will likely exceed Twenty Trillion Dollars (\$20,000,000,000,000). That is well over \$61,000 for every citizen — for every man, woman and child in our country.

If that is not troubling enough, the total of U.S. “unfunded liabilities” (Social Security, Medicare, Federal Debt held by the public, plus federal employee and veteran benefits) is approaching One Hundred and Seven Trillion Dollars (\$107,000,000,000,000) or \$329,000 for every citizen.

There is some talk (not enough) about the immorality of burdening future generations with this enormous debt. Draconian cuts in federal spending in all areas are forecast when the reckoning comes.

Can we not elect people to Congress who are more concerned about the future of this nation than they are about the next election?
